Introduction

About the form

You can use this form to

- apply for renewal of your registration as a registered European lawyer (REL), and
- check that the details which we hold about you are correct.

How to use the form

- Check that the information pre-printed on the form is correct, including spelling.
- Make any changes that are necessary and provide dates on which your circumstances changed. For example, if you have changed your name, write the date that your name change became effective. Put a line through any deletions. Do not use liquid paper.
- Add missing or extra information in the appropriate boxes or under “Additional information”.

How to contact us

Throughout these notes we may refer you to different departments within the Solicitors Regulation Authority (SRA) for assistance. The contact details for these departments are listed below.
