Please give details, for example, of any career breaks, job changes, illnesses or disabilities which may have a bearing upon your application and the number of appearances you have made.

For example, if you believe you come from an area of the country in which courts sit less frequently and this has affected the quality of your experience you should state so.

In addition, your firm may be a specialised practice which concentrates on High Court as opposed to county court litigation and as a result your open court advocacy experiences have been reduced. If this is the case, please detail on a separate sheet your appearances in interlocutory work in chambers and aspects of your work as a litigator which you regard as relevant to your advocacy skills.

If yes, please give details on a separate sheet attached to this application.

20. Since admission as a solicitor or registration as a European Lawyer, have you been convicted of an offence in any court of the UK or elsewhere (other than a motoring offence not resulting in disqualification)?
