### General Information

Swansea Law School at the University of Swansea is located on a modern campus situated amongst parkland and botanical gardens and fronted by the glorious seascape and easily accessible beach of Swansea Bay. It is within the UK's first designated area of outstanding natural beauty with surfing on the Gower Peninsula beaches a must. The School has established itself as a leading regional presence in the provision of high quality undergraduate and postgraduate legal education often using innovative formats including a Law Clinic (run by law students under the supervision of qualified solicitors) and with close links to the regional legal profession.

The Swansea Legal Practice Course (LPC) commands first class facilities including a state of the art Advocacy suite and excellent IT and library resources and is delivered by highly professional and experienced staff within a friendly and supportive learning environment that is consistently praised by students.

There is also the opportunity for graduates of the Swansea LPC to enroll onto the LLM in Advanced Legal Practice and Drafting offered by the Swansea Law School. The School also runs a Police Station Accreditation scheme.
