

Our Corporate Strategy have your say

25 May 2023

We have launched our Corporate Strategy for 2023-26 outlining our proposed strategic objectives and what we're looking to focus on over next three years.

We will be running a webinar so we explain more about our objectives and get feedback from solicitors and those in legal sector on these. We also want to discuss the challenges and opportunities you face, and how these should be reflected as we plan our work for the three years ahead.
