#### **What is the scam?**

A member of the public has received correspondence from someone using the name 'Enzo Morelli Chiesa', who falsely claims to be in an SRA authorised partnership with a genuine solicitor called Elizabeth Anne Brown.

The emails and documents relate to the supposed recovery of assets that the recipient had previously lost in cryptocurrency investments but requiring an initial payment.

The SRA has also seen messages sent from the telephone number of '+1(236) 206-8909' that have misused the name and SRA ID of the same genuine solicitor (see below).

## **What should I do?**

When a firm's or individual's identity has been copied exactly (or cloned), due diligence is necessary. If you receive correspondence claiming to be from the above firm(s) or individual(s), or information of a similar nature to that described, you should conduct your own due diligence by checking the authenticity of the correspondence by contacting the law firm directly by reliable and established means. You can contact the SRA to find out if individuals or firms are regulated and authorised by the SRA and verify an individual's or firm's practising details. Other verification methods, such as checking public records (e.g. telephone directories and company records) may be required in other circumstances.
