Risk Outlook 2021/2022 [</risk/outlook/risk-outlook-202122/>]

This report looks at what defines the 'new normal': the shape of the legal market as it emerges from Covid-19. We give our view of the key changes, and the threats, opportunities and uncertainties that come from them.

Risk Outlook 2020/2021 [</risk/outlook/risk-outlook-2020-21/>]

The Outlook sets out our view on the key risks and challenges currently facing the profession, helping you to take steps to protect both your firm and your clients.

Risk Outlook 2019/2020 [</risk/outlook/risk-outlook-2019-2020/>]

Our annual Risk Outlook sets out what we think are the risks and the challenges faced by solicitors and law firms.

Risk Outlook 2018/2019 [</risk/outlook/risk-outlook-2018-2019/>]

Our annual Risk Outlook sets out what we think are the risks and the challenges faced by solicitors and law firms.

- *Autumn 2018 update* [</risk/outlook/risk-outlook-autumn-2018-update/>]

We have updated our priority risks and provide an at-a-glance version of the updates below. This update reflects what we are seeing in the market and will help law firms manage risk in their business.

This is the final seasonal update and we will now be updating the Priority Risks when there is new information to share.
