**Solicitors Disciplinary Tribunal findings and orders**

The Solicitors Disciplinary Tribunal ([http://www.solicitortribunal.org.uk/](http://www.solicitortribunal.org.uk/)) (SDT) is independent, both judicially and administratively, of the Law Society and the SRA, although its running costs are funded by the Law Society.

The SRA is responsible for most prosecutions ([consumers/solicitor-check/prosecutions/](http://www.sra.org.uk/consumers/solicitor-check/prosecutions/)) at the SDT. We are not responsible for the SDT's findings (written judgments) or its orders.

The findings of the tribunal are published on the SDT's website: [www.solicitortribunal.org.uk](http://www.solicitortribunal.org.uk) ([https://www.solicitortribunal.org.uk/judgment-search-results#search](https://www.solicitortribunal.org.uk/judgment-search-results#search)).

**If you have any queries about unpublished SDT findings, please contact the SDT directly.**
