The business plan is set in the context of our wider 2023-2026 Corporate Strategy [<https://www.sra.org.uk/sra/corporate-strategy/>] , which outlines the strategic priorities for the SRA:

1. deliver high professional standards
2. strengthen our risk based and proactive regulation
3. support innovation and technology
4. be an authoritative and inclusive organisation, meeting the needs of the public, consumers, those we regulate and our staff.
