

Business Plan consultation - What should our priorities be for 2023

26 May 2022

We would like to hear from the legal profession on the shared challenges and opportunities we all face in the year ahead, and how these should be reflected as we plan our work for the year ahead.

In addition to discussing our core activity protecting the public and delivering effective regulation, we would welcome your thoughts on areas such as:

- how people use technology
- how we can all work together to further support the development and use of technology and innovation
- what further changes could be made to improve the accessibility of legal services for consumers the regulation of anti money laundering activities within the legal sector.
