

Careers in regulation

Outstanding people are at the heart of our organisation. It is through them that we achieve our aim - to give the public full confidence in the solicitors' profession.

We recognise and reward achievement, providing a working environment which allows people to develop their skills and fulfil their potential.

Our diverse departments attract a wide spectrum of people from various specialisms - there is no single route into a career at the SRA.

Whatever your background, you can be sure that a career at the SRA will provide you with challenging and enjoyable work.

Our work is varied, challenging, interesting and highly rewarding.
