

SQE training providers list

We publish a list of providers and organisations who:

- deliver SQE education, tutoring or training services (or plan to in the future)
- produce SQE-related study materials and resources (or plan to in the future).

We do not regulate, accredit or endorse training providers or organisations. We also have no role in approving, endorsing or overseeing the training courses or materials, or their quality. The list is intended to help potential SQE candidates to find training.

This is not a comprehensive or definitive list of all training providers or organisations, but of all organisations who have asked us to be on the list.

Candidates should make their own enquiries to satisfy themselves as to the quality and suitability of training, and the products and services that organisations on the list offer.

Requesting to be added to the list

To be added, please read our SQE Trademark Terms of Use and Conditions of the List [[/become-solicitor/sqe/training-provider-list/trademark/terms-use/](#)] and our Privacy notice [[/sra/how-we-work/privacy-notice/](#)] before applying below.

 1. you commit a breach of the Terms of Use
 2. your purpose for using the SQE trademarks is not in line with the Terms of Use
 3. we cease to publish the list, or we choose to withdraw the Terms of Use; and/or

If you no longer wish to be included in the list because, for example, you decide to stop offering SQE training services, you should let us know by emailing us [\[\[contact-us\]\]](#).

Ahead of the SQE's introduction in 2021, please find below a list of training providers who have registered to use our trademark so far. Details of further providers will be added in due course:
