

Have your say on our transparency rules

News

07 July 2020

All law firms will be contacted over the coming week by researchers IRN Research, inviting you to take part in an independent review into the impact of our transparency rules.

IRN will be inviting you to have your say on the rules, your experience of them and what impact you think they have had, by completing a short online survey.

Your feedback is important and, along with views from the public and small businesses, will form the basis of a report which will play a key role in helping us to better understand and develop our work in this important area.

Emails from IRN will be sent directly from ggiddings@rn-research.com [mailto:ggiddings@rn-research.com].

Many thanks in advance for those of you able to share your thoughts by completing this survey.
