

Diversity in the SRA

18 November 2020

Gender pay gap

We report on the gender pay gap across the Law Society Group. The report details the combined results of the Law Society and Solicitors Regulation Authority, which are one legal entity but operate independently. To date, we have issued three reports: 2017, 2018 and 2019.

Diversity monitoring data

We collect and publish diversity monitoring data about our staff and review progress in our work to deliver an inclusive workplace.
