## *Changes to the register*

This is version 8 of a service we launched in October 2019. We will improve it regularly, and we really welcome your feedback [<http://form.sra.org.uk/s3/digital-register-feedback>].

### *Version 8 | 27 February 2020*

- Improved search for people
- Better information on firms regulated by other approved regulators
- Improved PDF and print feature
- Function of tabs (All, Person, Firm) faster, for better experience

### *Version 7 | 3 February 2020*

- Improved display of legal services for the firm
- Better explanations of what each section shows
- Clearer who regulates each firm - the SRA or another regulator
- Improved display for government solicitors

### *Version 6 | 18 December 2019*

- We have added a regulatory record section for people and firms, giving you more detail about the decision history
- You don't have to choose person or firm before you search; it gives you results for both
- The ordering of search results is improved
- You can find trading names of firms, as well as their official name

### *Version 5 | 5 December 2019*

- We show the reason for prohibition of a person
- Some usability and accessibility improvements
- Some performance improvements

### *Version 4 | 20 November 2019*

- Firm search added

### *Version 3 | 4 November 2019*

- Warnings and information panels added
- Display of trading names and previous names added

### *Version 2 | 21 October 2019*

- SRA-regulated roles (HOLP, HOFA) added for licensed bodies

### *Version 1 | 7 October 2019*

- Initial beta launched
